

Обмерный план

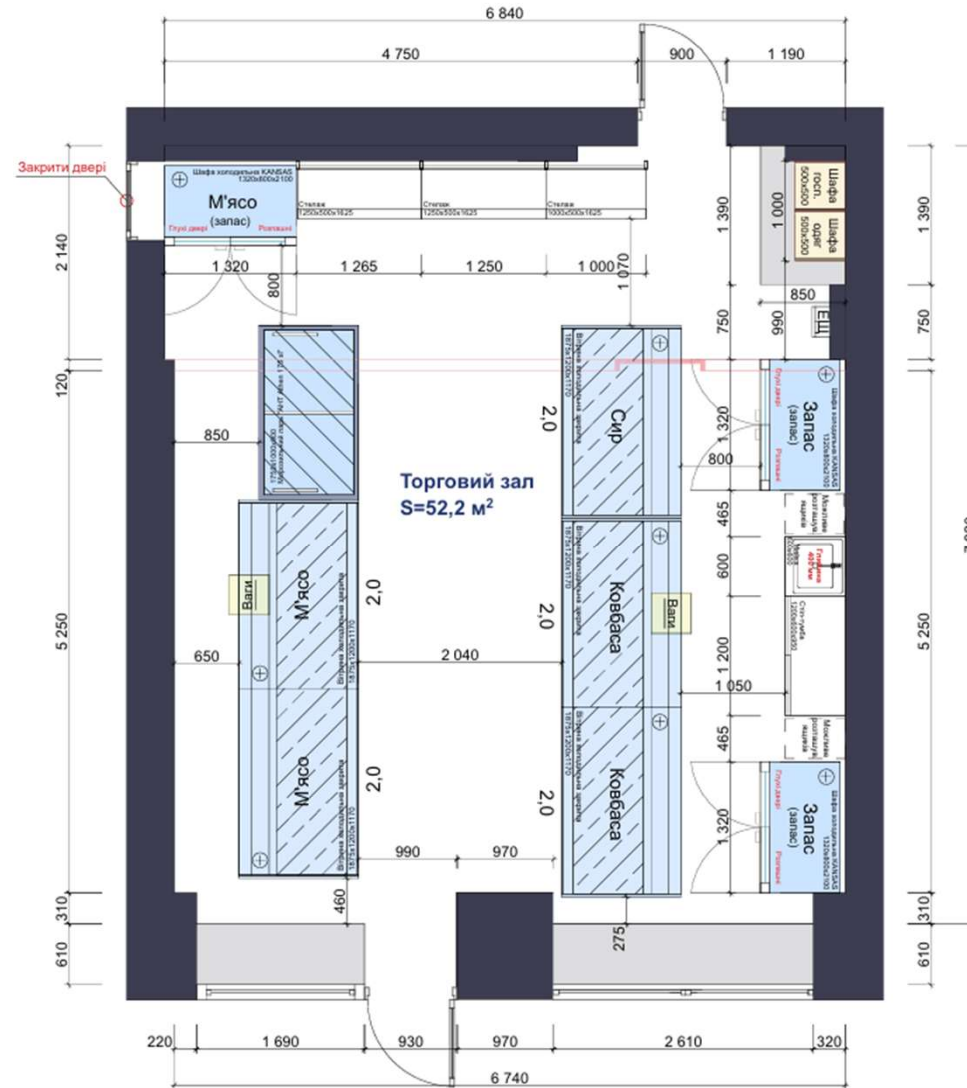

План пола

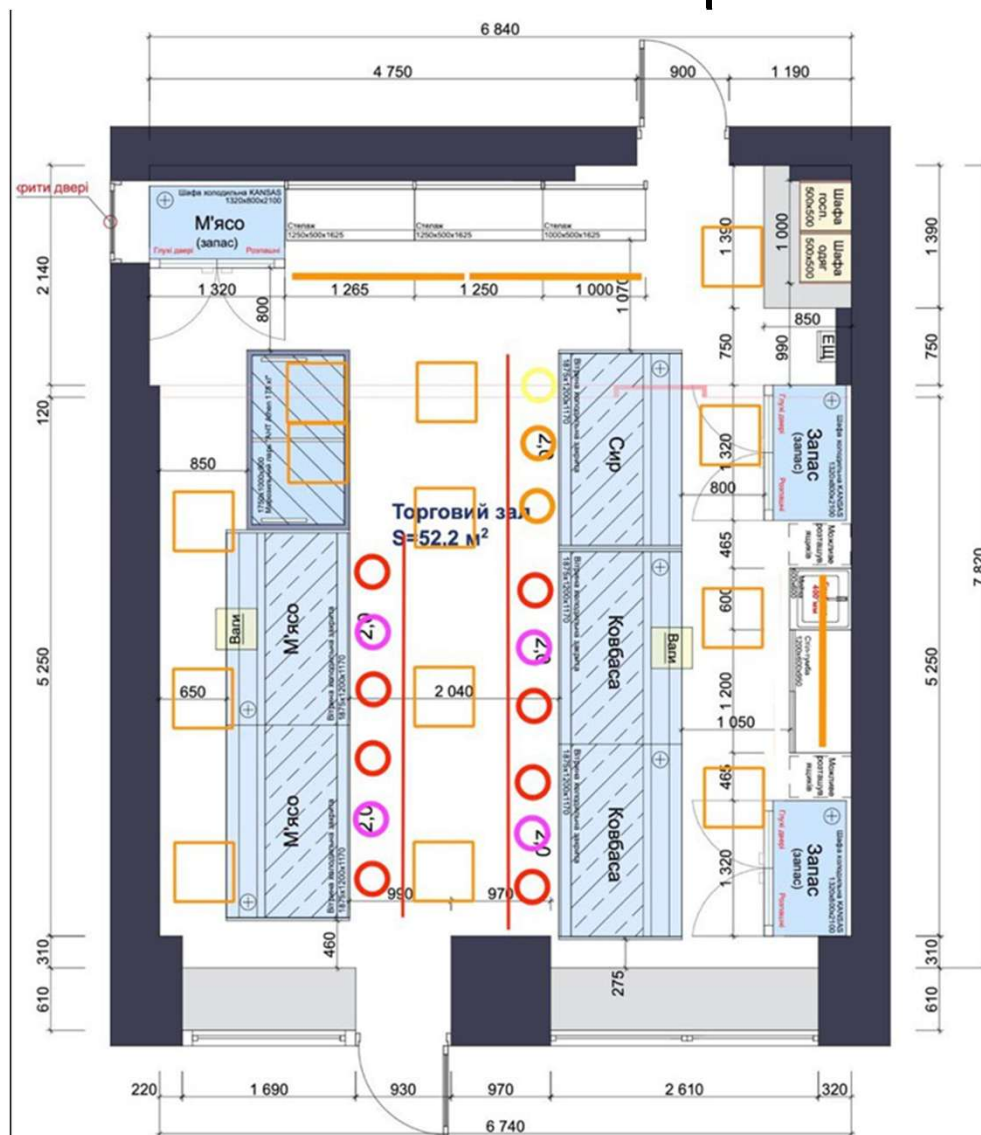

A floor plan of a room with a grid overlay. The grid consists of squares that are 600 units wide and 600 units high. There are 10 yellow squares placed on the grid. The total area of the room is labeled as 51.55 m². The dimensions of the room are 410 units by 430 units. The grid is labeled with 600 units for both width and height. The yellow squares are arranged in a pattern that covers most of the room's area.
